

## Level 3 BTEC Nationals in ICT

Welcome to LEVEL 3 BTEC ICT. Over the next two years we will focus on Three key areas shown in the table below.

Unit (number and title)	Unit size (GLH)
1 Information Technology Systems	120
2 Creating Systems to Manage Information	90
3 Using Social Media in Business	90

**Unit 1 (40%)** is assessed in the traditional **exam** format which will last **two hours**. You will learn about a variety of topics within Information Technology including;

- Mobile technology
- Legislation
- Computer Hardware and Components
- Networking

**Unit 2 (30%)** is assessed via a **ten hour on screen examination**. You will be given a problem to solve which will involve the creation of a **relational database** to solve it.

**Unit 3 (30%)** is internally assessed (and externally moderated) and is a project where by, you will consider the effect of social media on businesses and how to integrate the services of social media into a new or existing company.

## Summer Work

Activities which will give you a great head start

1. Learn more about databases and SQL:  
<https://sqlzoo.net/>
2. Learn to build a website from scratch using the tutorials below  
<https://www.w3schools.com/html/default.asp>
