

## Year 11 GCSE Maths Revision Homework Schedule 2021-22

You should complete the sections in your CGP workbook according to the schedule below in addition to any homework set. All labels are linked to the GCSE specification document attached. You should do the following for each subject area:

- Complete the sections in the workbook and mark using the answers at the back
- Complete past questions
- Complete practise questions from MyMaths and/or the textbook
- Revisit these topics at a later date re-reading notes made and completing additional questions
- Optional: Make theory notes from MyMaths, revision guides or textbooks on each section

**Notes:**

<b>Topic mastered?</b>	Colour each topic <b>green</b> only when extremely confident. This may not be till weeks later. Remember to still briefly revisit these topics closer to the final examination, particularly models and formulae.
<b>Revisiting Topics</b>	This will involve less time and re-reading notes and testing yourself on key terms, formulae and attempting exam style questions. This should be done as regularly as possible not just those listed above.
