

Travelling to

Please help make the school run safer and healthier by joining those who are already walking or cycling to school or taking one of the school bus services. There's lots of storage available for your bikes and scooters and it makes a really healthy start to the day, cuts down on congestion and improves the air quality around our school site.

Drivers: Please can we ask that you DO NOT come Burgate Fields or the school access road unless absolutely necessary. This area is priority for school buses and pedestrians. Please give them priority here. **NEVER** park on zig zag markings, yellow lines, near junctions, blocking or opposite driveways or reverse into spaces if you can't see clearly behind you. Please **Parkwise**.
