

Delighted students receive their A-level results at the Burgate Sixth Form.

Burgate students have returned to college today to open their results envelopes and celebrate their success. Results were broadly in line with pre-pandemic levels and the emerging national picture for this year, with the vast majority of students gaining their first-choice place at university. There are also students moving on to work with training and apprenticeships with the qualifications they have gained.

Headteacher David Pover said, "I am so pleased that our students have achieved a great set of results which has enabled them to go onto their destinations of choice. Having overcome a challenging educational journey, for students to get their grades and celebrate with their friends, families and teachers was a joy to see."

Head of Sixth Form Helen Costello was equally thrilled, "We are so proud of all our students who have risen to the occasion and delivered their best performance. They can move forward with their heads held high and we wish them every success for their future."

Ned Woodley achieved A*A*A A B and is going to Cambridge University to continue their studies in Psychology, "I am so happy with my results and really looking to going to Cambridge. Exciting times!"

Ellie Bailey achieved A* A* A, "I am so thrilled and a little shocked. I am grateful for everything Burgate has done to help me." Ellie is off to Exeter to study History and Philosophy.

Ellie Patterson achieved A A B and is "thrilled and delighted" and off to study Forensic Science at Kent.

Ivan Godfree achieved A* A* A* A, "Thank you to everyone at Burgate, I'm so chuffed, it really couldn't have been any better." He is now planning on going to read Mathematics at Warwick.

Joanne Camfield achieved A B B and is off to the University of Surrey to study midwifery.

Zoe Palmer A* A Distinction* reviewing her university course in light of these outstanding grades.

Ed Humber with A* A* A will be reading Law at Exeter.

Arthur Crowley with A A Distinction* will be reading History at Kings College, London.

We are incredibly proud of all our students and wish them all the very best whether they are going to university, undertaking apprenticeships, entering the job market or taking a gap year. Thank you to the staff and parents who supported them on their journey.
