

Careers@Burgate

Welcome to the November edition of our Careers Newsletter! Please do get in touch if there is any more information you think would be of use to you, and we can add this on. Just email careers@burgate.hants.sch.uk. We will also be featuring some of the things our students have been getting up to in each newsletter!

Mock interviews

On Thursday 16 November, all Y10 students took part in a mock interview experience. They spent time preparing CVs and applications in PSHE, and they have received feedback on these and their interviews. A huge thank you to the parents and other members of the community who gave up their day to give our students an invaluable experience.

College visit

On Thursday 9 November, 8 Y11 students had the opportunity to visit Totton College. They met students and tutors, learnt about various pathways such as apprenticeships and vocational courses, and saw all of the facilities on offer, including a salon and car garage!
